NOTICE TO USERS

This End User License Agreement (hereinafter "Agreement") is a legally binding document between you — whether acting as a private individual, a company representative, or an authorized agent of an organization (referred to herein as "Customer" or "You") — and Magic Soft Recovery LLC (hereinafter "Magic Soft"), the developer and publisher of the software product you have downloaded, installed, or are using (hereinafter "Software" or "Product"). This Agreement also governs all future versions, patches, updates, bug fixes, and supplementary releases of the Software made available to you by Magic Soft, together with all accompanying user documentation, help files, and related written or electronic materials (collectively the "Documentation").

By downloading, installing, copying, accessing, or using the Software or any part of it, you confirm that you have read this Agreement carefully and agree to be fully bound by all its terms and conditions. If you do not accept these terms, you must not install or use the Software. Remove any copies already on your machine and contact Magic Soft if you require assistance.

§

Terms and Conditions

You must read and understand all terms and conditions set out in this agreement before downloading, installing, or using the software. If you do not agree to these terms, do not copy, download, install, or use the software in any form. Your use of the software is conditional upon your full and continuing compliance with all terms stated in this agreement.

If you have purchased a license but have not yet activated it using your license key, and you wish to return the software, you may do so within 30 calendar days of your purchase date and request a full refund of the amount paid. This refund entitlement does not apply to activated licenses. The terms of this agreement define the permitted use, scope, and user rights applicable to each license edition of the software.

01 Intellectual Property Rights

Magic Soft Recovery LLC retains full ownership of all intellectual property rights in and to the Software — including its source code, object code, algorithms, user interface design, visual assets, product names, trademarks, and all accompanying documentation — whether or not those rights are expressly stated in this Agreement. All rights not explicitly granted to you in this Agreement are reserved exclusively by Magic Soft Recovery LLC.

The Software and all materials included in its distribution package are protected under the copyright laws of the applicable jurisdiction and under international copyright treaties and conventions. Any use of the Software that falls outside the scope of the license granted to you in this Agreement constitutes a violation of these protections and will result in the immediate termination of this Agreement. Such unauthorized use may also expose you to civil and criminal liability under applicable laws.

The fact that you have purchased, downloaded, installed, or are using the Software does not transfer any title or ownership of the Software or any intellectual property contained within it to you. Your rights are limited to those expressly described in the section of this Agreement titled License Grant and License Types. Nothing in this Agreement shall be construed as granting you any ownership right, title, or interest in the Software beyond the specific usage license described herein.

The name Magic Soft Recovery LLC, the MSR logo, and all product names including Magic Soft PST Converter, Magic Soft OST Converter, Magic Soft MBOX Converter, Magic Soft EML Converter, Magic Soft CSV to VCF Converter, Magic Soft PDF Split & Merge, and Magic Soft PDF Bates Numbering are trademarks of Magic Soft Recovery LLC. You may not use these marks, names, or logos in any commercial or promotional context without prior written authorization from Magic Soft Recovery LLC.

02 Restrictions on Use

Your use of the Software is subject to the following restrictions. These restrictions are in place to protect the intellectual property of Magic Soft Recovery LLC and to maintain the integrity of the license program. Any breach of these restrictions constitutes a material breach of this Agreement and will result in immediate termination of your license.

- You may not copy, reproduce, or duplicate the Software except for a single archival backup copy, which must be kept solely in your possession and must not be distributed, shared, or transferred to any other party.
- You may not reverse engineer, decompile, disassemble, decrypt, or otherwise attempt to derive, reconstruct, or access the source code, underlying architecture, or algorithms of the Software by any method, except where applicable mandatory law expressly permits this notwithstanding contractual restriction.
- You may not modify, adapt, translate, alter, or create any derivative work based on the Software or any portion of it, whether for commercial or non-commercial purposes, without the prior written consent of Magic Soft Recovery LLC.

- You may not rent, lease, lend, sell, sublicense, transfer, or assign your license rights to any third party. Your license is personal and non-transferable unless a written transfer agreement has been executed by Magic Soft Recovery LLC.
- You may not distribute, publish, or make the Software available on a network, shared server, application service platform, or cloud-based environment in a manner that allows multiple users to access it simultaneously unless you hold an Enterprise license that expressly permits such deployment.
- You may not remove, alter, conceal, or tamper with any copyright notice, trademark, product marking, watermark, or proprietary identification label that appears in or on the Software, its packaging, or its documentation.
- You may not use the Software for any purpose that violates any applicable local, national, or international law, regulation, or treaty.
- You may not access the Software through any service bureau, software-as-a-service arrangement, or shared computing environment using an account or license belonging to another person or organization.
- The free evaluation version of the Software may be shared freely provided that the original distribution package is not modified and no fee is charged for its distribution. No individual or organization may charge a fee for distributing the trial version without prior written permission from Magic Soft Recovery LLC.

03 Copyright

The Software, including all associated files, documentation, visual assets, compiled code, and related materials distributed with it, is the original copyright work of Magic Soft Recovery LLC and is protected under the copyright laws of the applicable jurisdiction, as well as under the terms of international copyright agreements and conventions.

You are expressly prohibited from removing, concealing, overwriting, or in any way altering any copyright notice, proprietary label, watermark, trademark marking, or legal identifier that appears within or on the Software, its installer, its output files, or any associated documentation. Any such act constitutes a violation of Magic Soft Recovery LLC's intellectual property rights and of the terms of this Agreement.

Copyright infringement of any Magic Soft software product may result in the immediate termination of this Agreement, civil liability for damages, and, where applicable, criminal prosecution under the laws of the relevant jurisdiction. Magic Soft Recovery LLC actively monitors and enforces its copyright interests.

04 License Grant and License Types

Subject to your full and continuing compliance with all terms of this Agreement, Magic Soft Recovery LLC grants you a non-exclusive, non-transferable, revocable license to install and use the Software on the number of machines permitted by the license edition you have purchased, solely for your own personal or internal business purposes. The Software is licensed to you — it is not sold. Magic Soft Recovery LLC retains all ownership rights at all times.

Contact Magic Soft Recovery LLC at sales@magicsoftrecovery.com to discuss Enterprise license terms and pricing.

All Magic Soft license editions are one-time purchases. There are no subscription fees, no annual renewal charges, and no recurring costs of any kind. All paid licenses include free software updates for the lifetime of that license.

05

License Key

Upon completing your purchase of a paid Magic Soft license, you will be issued a unique License Key — an alphanumeric activation code that confirms your purchase and unlocks the full licensed version of the Software, removing all demo-mode restrictions including the output watermark.

Your License Key is confidential and proprietary to Magic Soft Recovery LLC. By accepting this Agreement, you commit to keeping your License Key strictly private and to not sharing, transferring, publishing, posting, disclosing, or otherwise making it available to any third party under any circumstances. You are responsible for implementing reasonable measures to protect your License Key from unauthorized access or use.

The License Key may be used only within the scope of the license edition for which it was issued and on the number of machines permitted by that edition. Using a single License Key to activate the Software on more machines than permitted by your license constitutes a breach of this Agreement. If you suspect that your License Key has been compromised or used without your authorization, contact Magic Soft Recovery LLC at support@magicsoftrecovery.com immediately.

06 Limitation of Liability

To the fullest extent permitted by applicable law, Magic Soft Recovery LLC, its directors, officers, employees, agents, and licensors shall not be liable to you or any third party for any indirect, incidental, special, consequential, exemplary, or punitive damages of any kind arising from or in connection with your use of or inability to use the Software, regardless of the cause of action, the theory of liability asserted, or whether Magic Soft Recovery LLC has been advised of the possibility of such damages. This includes without limitation any loss of business revenue or profits, business interruption, loss of business data or information, loss of goodwill, loss of anticipated savings, or any other financial or commercial loss of any kind.

In no event shall the total aggregate liability of Magic Soft Recovery LLC to you for all claims arising under or related to this Agreement exceed the total amount actually paid by you to Magic Soft Recovery LLC for the specific software license giving rise to the claim. Where no payment has been made — for example in the case of the free demo version — the aggregate liability shall not exceed the equivalent of five United States dollars (USD 5.00).

By installing or using the Software, you acknowledge that you have read and fully understood this Agreement, that you agree to be legally bound by all of its terms and conditions, and that this Agreement represents the complete and exclusive statement of the agreement between you and Magic Soft Recovery LLC on the subject matter hereof, superseding all prior discussions, representations, understandings, and communications whether oral or written.

07 Warranty Disclaimer

The software is provided to you "as is" and "as available" without warranty of any kind. To the fullest extent permitted by applicable law, Magic Soft Recovery LLC hereby disclaims all warranties — whether express, implied, statutory, or otherwise — including without limitation any implied warranty of merchantability, fitness for a particular purpose, accuracy, reliability, title, or non-infringement of third-party rights. Magic Soft Recovery LLC does not warrant that the software will be error-free, that operation will be uninterrupted, or that it will produce correct results in every possible configuration, file condition, or hardware environment.

Some jurisdictions do not permit the exclusion or limitation of implied warranties or of certain categories of damage. In such jurisdictions, the disclaimers and limitations set out in this section shall apply only to the maximum extent permitted by the law of that jurisdiction. Nothing in this section shall exclude or limit any liability that cannot lawfully be excluded or limited, including liability for death or personal injury caused by negligence.

Magic Soft Recovery LLC strongly recommends that all users download and thoroughly test the free demo version on their own actual files before making any purchase. The demo version is fully functional and allows complete pre-purchase evaluation with no registration required.

08

Lawful Use Declaration

Magic Soft Recovery LLC products are developed and licensed strictly for lawful purposes. The Software licensed to you under this Agreement is intended to be used only on files, data, documents, and email archives that you own outright, that you have been granted legal authority to access and process, or for which you hold written permission from the legitimate owner or data controller to perform the relevant operations.

By installing and using the Software, you affirm that you hold the necessary legal rights or authorizations to access and process all files, emails, and documents on which you use the Software. You further affirm that all output generated using the Software will be used only for lawful purposes and will not be used to facilitate unauthorized access to third-party systems, data theft, fraud, or any other illegal activity.

Magic Soft Recovery LLC accepts no liability for any unlawful use of its Software. Any illegal use of the Software is solely the responsibility of the person or organization carrying out that use. Magic Soft Recovery LLC reserves the right to report suspected illegal use of its Software to the appropriate law enforcement authorities.

09

General Conditions

This Agreement shall be governed by and construed in accordance with the laws applicable to the jurisdiction in which Magic Soft Recovery LLC operates, without regard to that jurisdiction's conflict of law rules. Any dispute, controversy, or claim arising out of or in connection with this Agreement — including any question about its existence, validity, interpretation, breach, or termination — shall be submitted to the exclusive jurisdiction of the courts of competent authority in that jurisdiction, and by accepting this Agreement you consent to that jurisdiction.

This Agreement constitutes the entire agreement between you and Magic Soft Recovery LLC with respect to the Software and supersedes all prior and contemporaneous understandings, agreements, representations, and communications relating to the subject matter hereof. No prior draft of this Agreement, and no oral or written statement made before the signing or acceptance of this Agreement, shall have any legal effect.

There are no third-party beneficiaries of any promise, obligation, or representation made by Magic Soft Recovery LLC under this Agreement. This Agreement is made solely for the benefit of Magic Soft Recovery LLC and the Customer as defined herein.

If any provision of this Agreement is found by a court of competent jurisdiction to be invalid, unlawful, or unenforceable, that provision shall be modified to the minimum extent necessary to make it enforceable, and all remaining provisions shall continue in full force and effect. Magic Soft Recovery LLC's failure to enforce any right or provision on any occasion shall not constitute a waiver of that right or provision on any subsequent occasion.

§

Effect of This Agreement

This Agreement remains in full force and effect from the date you first install or use the Software until it is terminated. Magic Soft Recovery LLC may terminate this Agreement immediately upon written notice if you breach any term contained herein and fail to cure that breach within 30 calendar days of receiving notice. You may terminate this Agreement at any time by permanently uninstalling the Software from all machines on which it is installed, destroying all copies in your possession, and notifying Magic Soft Recovery LLC in writing of your termination. Upon termination for any reason, all license rights granted to you under this Agreement immediately cease. You must promptly uninstall the Software from all machines and destroy all copies. Provisions of this Agreement that by their nature should survive termination — including intellectual property rights, limitation of liability, warranty disclaimer, and general conditions — shall survive any termination of this Agreement.

10

Final Provisions

All rights in and to the Software not expressly granted to you in this Agreement are reserved exclusively by Magic Soft Recovery LLC. No right, license, or interest in or to the Software shall arise by implication, estoppel, or otherwise.

This Agreement may not be amended, supplemented, or modified except by a written instrument signed by an authorized representative of Magic Soft Recovery LLC. No employee, agent, reseller, or affiliate of Magic Soft Recovery LLC has any authority to modify the terms of this Agreement on Magic Soft Recovery LLC's behalf.

You may not assign, transfer, or delegate your rights or obligations under this Agreement to any other individual or entity without the prior written consent of Magic Soft Recovery LLC. Any attempted assignment without consent is void.

This Agreement shall be binding upon and inure to the benefit of both parties and their respective successors and permitted assigns.
